### Urgent Advisory

Recently some incidents have come to the notice of the Embassy of India in Vienna that some fake person is making calls to Indian residents/visitors in Austria saying that they filled up their immigration details wrongly due to which legal action has been initiated. The fake persons ask to transfer money through wire and do not allow the unsuspected Indian to disconnect the call. Such fake persons might say other false things as well.

Embassy of India, Vienna hereby advises all Indian citizens/students to strictly avoid entertaining any such calls. Embassy of India, Vienna does not make such calls. If any Indian citizen receives such calls he/she should immediately inform the Embassy of India, Vienna at [hoc.vienna@mea.gov.in](mailto:hoc.vienna@mea.gov.in) and [cons.vienna@mea.gov.in](mailto:cons.vienna@mea.gov.in) with all details.
